- death of or injury to other people; or
- damage to property;

as a result of any accident you have while you are driving, using or in charge of your vehicle or while you are loading and unloading your vehicle.

Other people driving or using your vehicle

In the same way you are insured we will also cover the following people:

- Any person you allow to drive or use your vehicle, as long as this is allowed by your current certificate of motor insurance and has not been excluded by an endorsement, exception or condition.
- Any passenger who causes an accident while travelling in or getting into or out of the insured vehicle as long as you ask us in writing, after the accident, to indemnify the passenger.

The most we will pay for costs and expenses arising from property damage is £5,000,000 for any one claim or claims arising out of one incident.

If there is a property damage claim made against more than one person covered by this insurance, we will deal with any claim made against you first.

Limits of indemnity to property damage in respect of all other vehicles, including private cars used for hire purposes

The most we will pay for property damage is £5,000,000 for any one claim or claims arising out of one incident.

If there is a property damage claim made against more than one person covered by this insurance, we will deal with any claim made against you first.

Legal personal representatives

After the death of anyone who is covered by this insurance, we will deal with any claim made against that person's estate, provided that the claim is covered by this insurance.

Costs and expenses

Legal costs

If we first agree in writing, we will pay:

- solicitor's costs if anyone we insure is represented at a coroner's inquest, fatal accident inquiry or court of summary jurisdiction;
- reasonable costs for legal services to defend anyone we insure against any prosecution arising from any death; and
- all other legal costs and expenses we agree to.

We will only pay these legal fees if they arise from an accident that is covered under this insurance.

Emergency medical treatment

We will pay for emergency medical treatment that is needed after an accident involving any vehicle which this insurance covers.

(We must provide this cover under the Road Traffic Acts.)

European Union (EU) (Compulsory cover)

We will provide the minimum insurance needed by the relevant law to allow you to use your vehicle:

- in any country which is a member of the EU; and
- in any other countries which have made arrangements to meet the insurance conditions of, and are approved by, the Commission of the European Union.

Guidance notes

This section shows the cover provided for claims made by other people for injury to them or damage to their property.

This part covers claims made against you.

This part covers claims made against people other than yourself from incidents involving your vehicle.

It covers:

- other people driving your vehicle with your permission (if shown on the certificate); and
- passengers.

If anyone insured dies, cover will be provided for a legal representative.

- We will pay the solicitor's fees for representing or defending anyone we insure.
- If any person covered by this insurance is charged with causing death while driving, we will arrange and pay for their defence.
- We will pay any legal costs and expenses we have agreed to.

We will pay the compulsory fee for emergency medical treatment after an accident.

The policy automatically provides the minimum cover you need to use your vehicle in all countries in the European Union and in certain other countries. The minimum cover varies from country to country.

Towing

Under this section we will insure you while any vehicle covered by this insurance is towing a caravan, trailer or a broken-down vehicle (as allowed by law).

We will not pay any claim arising from the following:

- Damage to or loss of the towed caravan, trailer or broken-down vehicle.
- Damage to or loss of any property being carried in or on the towed caravan, trailer or broken-down vehicle.
- A caravan, trailer or broken-down vehicle being towed for reward.
- Towing more trailers than the number allowed by law.
- If more than one caravan, trailer or broken-down vehicle is being towed at any one time.

We will only provide this cover if:

- the caravan, trailer or broken-down vehicle is properly secured to your vehicle by towing equipment manufactured for the purpose; and
- the method of towing the caravan, trailer or broken-down vehicle stays within the manufacturer's recommended towing limits and any other relevant law.

Indemnity to principals

As far as is necessary to meet the requirements of any agreement or contract entered into by you for the performance of work, we will insure the Principal at your request provided the Principal complies with the terms and conditions of this insurance in so far as they can apply.

Contingent liability

We will insure you while an employee of yours uses, on your business, a vehicle not belonging to you or supplied by you provided:

- you have given express permission for the vehicle to be used on your business;
- you have taken all reasonable steps to ensure that there is in force in the employee's name a separate policy of motor insurance giving you cover for such use;
- there is no cover provided by any other insurance.

We will not be liable:

- for any loss or damage to such vehicle; or
- to cover any person driving such vehicle.

Joint liability

If this policy is in the name of more than one person, we will cover each person as if an individual policy has been sent to each. We will cover each against the liability of the other, as long as the liability, loss or damage is not covered by any other insurance.

Unauthorised movement

We will insure you in respect of any accident caused by, through or in connection with the movement of any motor vehicle not belonging to you and not in your custody or control provided such vehicle is impeding the legitimate passage of your vehicle and:

- is being moved by an employee of yours;
- is being moved in connection with your business;
- is not the property of the employee moving it;
- is not covered by any other insurance covering such accident, damage or loss.

Exceptions to Liability to others section

This section of your insurance does not cover the following:

- Anyone who can claim for the same loss from any other insurance.
- Loss of, or damage to, property belonging to (or in the care of) anyone we insure and who is making a claim under this part of the insurance.
- Death of or bodily injury to any person arising out of and in the course of their employment by the policyholder or by any other person claiming under this insurance. This does not apply if we need to provide cover due to the requirements of relevant laws.
- Death, bodily injury or damage arising out of the spraying of crops.
- Death, bodily injury or damage arising off the road as a result of the loading or unloading of your vehicle by anyone apart from the driver or attendant.

Guidance notes

Under this section you can tow a caravan, trailer or broken-down vehicle. You are only covered for claims made against you.

- *There is no cover for loss of or damage to the caravan, trailer or broken-down vehicle.*
- *There is no cover for loss of or damage to any property in or on the caravan, trailer or broken-down vehicle.*
- *You must not be receiving a payment for towing the caravan, trailer or broken-down vehicle.*
- *You must only be towing one caravan or broken-down vehicle.*
- *The caravan, trailer or broken-down vehicle must be properly secured to your vehicle.*
- *The way you are towing the caravan, trailer or broken-down vehicle must meet any law and the manufacturer's guidelines.*

This covers your Principals provided they conform to the requirements of this document.

This covers you if an employee uses their own vehicle or a vehicle loaned to them, on your business, if the employee's insurance fails to operate.

You must take steps to establish that the employee does have insurance covering them for such use.

We will not cover the vehicle being used or the employee driving it.

Where there is more than one name included in your title, we will insure the parties jointly described.

We will insure you if an employee moves a vehicle not belonging to you or the employee, which is blocking their passage.

We do not have to provide cover or settle claims under Liability to Others section if any person claiming under this insurance:

- *can claim for the same loss from any other insurance;*
- *is claiming for loss of or damage to any insured vehicle or property belonging to them;*
- *is claiming for death or injury to any employee during the course of their work other than accidents to which the Road Traffic Act applies;*
- *is claiming for death, injury or damage, arising from any form of crop spraying; or*
- *is claiming for death, injury or damage (except the driver or attendant) while loading or unloading off the road.*

Loss of or damage to your vehicle section

This cover only applies to your vehicle

We will insure your vehicle against loss or damage (less any excess that applies) caused by:

- accidental or malicious damage and vandalism;
- fire, lightning, self-ignition and explosion; or
- theft or attempted theft, or taking the vehicle away without your permission.

Accessories and audio, visual or telephone equipment

Your vehicle's spare parts and fitted accessories are insured in the same way, as long as they are used with your vehicle, are kept in or on your vehicle and fall within the maximum amount we pay.

Permanently-fitted audio, visual and telephone equipment is also insured against loss or damage, but we will only pay the market value of the equipment at the time of the loss or damage. We will only pay up to £750 for items which are not the manufacturer's standard fitted equipment. We will not pay for loss of or damage to cassettes, compact or mini discs, DVDs or accessories used with the audio, visual or telephone equipment.

Loss of keys

We will pay up to £1,000 if the keys for your vehicle are lost or stolen and have not been recovered. We will pay for the cost of replacing entry key and transponders, ignition and steering locks that can be opened or operated with the lost items, provided you inform the police of the loss as soon as it is discovered.

Trailer cover – (only applies to commercial vehicles)

If your vehicle is articulated or a rigid body vehicle, we will also insure any semi-trailer or draw bar trailer against loss or damage, while it is attached to the vehicle or temporarily detached during the course of a journey.

If the combined value of the power unit and semi-trailer or draw bar trailer, is greater than the last total value of the vehicle you told us and we accepted, we will only pay the value shown in the schedule.

For a claim under this section we may either:

- pay for the damage to be repaired;
- pay an amount of cash to replace the lost or damaged item; or
- replace the lost or damaged item.

The most we will pay will be either:

- the market value of your vehicle immediately before the loss (including its accessories and spare parts) up to the value shown in the schedule; or
- the cost of repairing the vehicle;

whichever is less.

We will not pay the cost of any repair or replacement which improves your vehicle or accessories to a better condition than they were in before the loss or damage. If this happens you must make a contribution towards the cost of repair or replacement.

New car replacement

If your car is less than one year old from the date of first registration as new in your name, and the cost of repairing any loss or damage (that is covered by this document) is more than 50% of the insured value of the car we will replace your car with a new car of the same make, model and specification, if one is available. If one is not available we will pay you up to the market value of the vehicle. We will then own the damaged vehicle.

Transport after an accident

If your vehicle cannot be driven after an accident, we will pay the reasonable cost (where necessary) of taking your vehicle to a repairer near to your vehicle's location, and returning it after the repair to your last known address. Do not attempt to move the vehicle yourself if this could increase the damage. If unnecessary damage is caused as a result of attempts to move your vehicle, we will not pay any extra cost arising from that damage.

Guidance notes

Under this section we will provide cover when your vehicle suffers loss or damage caused by the events shown opposite.

Your vehicle's accessories or spare parts are also covered.

*Loss or damage to audio, visual and telephone equipment is also insured (less any excess you must pay). To contact our authorised suppliers phone our **helpline on 0844 800 9906**.*

If your keys are stolen we will pay for replacement keys and locks to be fitted to your vehicle.

We will also pay for loss or damage to any semi-trailer or draw bar trailer of an articulated or rigid body vehicle, as long as the value of both vehicles is not greater than the amount stated on the schedule.

These are the ways we may settle your claim.

The market value of your vehicle is the cost of replacing it with one of the same make, model, age, type and condition.

We will not pay for any part of a repair or replacement which leaves the vehicle in a better condition than it was in before.

If your vehicle cannot be driven after an accident, we will pay the cost of removing it to the nearest repairer.

*We can arrange help if you call our **24-hour helpline on 0844 800 9906**.*

This section shows you what you have to do if your vehicle needs repairing after an accident.

*If you want to avoid the need to get estimates you can call our **24-hour helpline on 0844 800 9906**.*

Repairs

Repairs can be arranged quickly and without the need to get an estimate by using our **24-hour helpline**. Call us on **0844 800 9906**.

If your vehicle can be driven safely and is damaged in a way which is covered by this insurance, you must send us an accident report form. You must also send two estimates from different garages so that we can decide on a suitable repairer.

If your vehicle cannot be driven safely after an accident, you may arrange for repairs to be started if you first get an estimate and immediately send it to us with a full report of the incident.

We may arrange for your vehicle to go to a repairer of our choice if we cannot reach an agreement with the repairers over costs.

Total loss (write-off)

If your vehicle is considered to be a write-off (if the cost of repairs is greater than the market value of the vehicle), we will offer you an amount as compensation. This insurance for your vehicle will end when you accept that offer.

If we ask, you must return the certificate of motor insurance and the schedule before we pay the compensation.

The vehicle then becomes our property.

We may decide to let the insurance continue on a replacement vehicle and an additional premium may be required.

Financial interest

If the vehicle belongs to someone else, or is part of a hire purchase or leasing agreement, we will normally pay an amount for the total loss of the vehicle to the vehicle's legal owner.

Windscreen damage (comprehensive cover only)

You may claim for damage to your vehicle's windscreen or windows and for any bodywork scratched by broken glass from the window or windscreen. This benefit does not apply to damaged sun roofs, roof panels, lights or reflectors whether glass or plastic.

- If the repair or replacement is carried out by our authorised windscreen replacement company, you will have unlimited cover and you will only have to pay the first £50 of each claim. (Please contact our **24-hour helpline** on **0870 608 1934** for details of our authorised windscreen replacement company).
- If the repair or replacement is carried out by any other repairer, you will have unlimited cover but you will have to pay the first £100 of each claim.

No excess will apply if the windscreen can be repaired instead of replaced.

Excesses

If an excess is shown in the schedule, you have agreed to pay that amount for each incident of loss or damage.

Extra excesses for young or inexperienced drivers

If your vehicle is damaged while a young or inexperienced person (including yourself) is driving you will have to pay the first part of the cost as shown below. This is on top of any other excesses which you may have to pay.

Drivers/ Amount

- | | |
|---|------|
| • Under 21 years of age | £300 |
| • Aged 21 to 24 years of age | £200 |
| • 25 years of age or over but who have a provisional driving licence or who have held a full EU driving licence for less than 12 months | £200 |

You will not have to pay the amounts shown above if the loss or damage is caused by fire or theft.

When your vehicle is being serviced

The cover provided under this section will still apply when your vehicle is being serviced or repaired. While the vehicle is in the hands of the motor trade for a service or repair we ignore any restrictions on driving or use (as shown in your certificate of motor insurance).

Guidance notes

This section shows you what you have to do if your vehicle needs repairing after an accident.

*If you want to avoid the need to get estimates you can call our **24-hour helpline** on **0844 800 9906**.*

If your vehicle becomes a write-off and we offer you a payment, the insurance will end for that vehicle when you accept the offer.

The insurance cover can only be transferred to a replacement vehicle if we give our permission.

If the vehicle is on hire purchase or belongs to someone else we may settle the claim directly with them.

This section provides cover for damage to glass in the windscreen or windows, including the cost of supplying and fitting. This section also covers scratching of the bodywork resulting only from such damage.

*To contact our authorised suppliers phone our **24-hour windscreen helpline** on **0870 608 1934**.*

*An excess applies to this cover. Please contact our **24-hour windscreen helpline** for details.*

An excess is the amount you must pay towards every claim for loss or damage to your vehicle.

Note: These excesses are added to any other excesses which apply.

When your vehicle is with a motor trader for servicing or repair you continue to have the cover provided under Loss of or Damage to your Vehicle section.

Exceptions to loss of or damage to your vehicle section

This section of your insurance does not cover the following.

- The amount of any excess shown in the schedule.
- An amount as compensation for you not being able to use your vehicle (including the cost of hiring another vehicle).
- Wear and tear.

 - it has been left unlocked;
 - it has been left with the keys in it;
 - it has been left with the windows, roof panel or the roof of a convertible vehicle open; or
 - reasonable precautions have not been taken to protect it.

Unauthorised use section

We will insure you under this policy if an employee of yours uses your vehicle without authority but we will not be liable to cover your employee.

Unlicensed drivers section

We will insure an unlicensed driver under this policy when a licence is not required by law provided the driver is old enough to have obtained a licence to drive the vehicle had one been required by law.

Medical expenses section

We will pay up to £250 for each person for the medical expenses of anyone who is injured while they are in your vehicle as a result of an accident involving your vehicle.

Guidance notes

Important: There are certain circumstances which are not covered and these are shown opposite.

It is important that you take all reasonable measures to avoid loss or damage, such as removing your keys from the ignition when the vehicle is unattended (for example, do not leave the keys in the ignition when paying for petrol, or leave the vehicle unattended and the engine running). Also make sure that any immobiliser or alarm system is turned on.

We will cover you if an employee uses your vehicle without your authority but will not cover the driver.

General terms

Payments for journeys (car sharing) – (only applies to private cars)

You can accept payments from passengers in your vehicle if you are giving them a lift for social or other similar purposes. Accepting these payments will not affect your insurance cover if:

- the vehicle cannot carry more than 8 people (including the driver);
- you are not carrying the passengers in the course of a business of carrying passengers; and
- the total of the payments you receive for the journey does not provide a profit.

Changing or adding a vehicle to this insurance

If you change the vehicle(s) covered by this insurance, or get an extra vehicle which you want cover to apply to, you must tell your agent or us and we must agree before cover can start. (We may ask you to return your certificate of motor insurance.) We will give you advice on any change in premium and we will send you a new schedule confirming our acceptance.

Guidance notes

This cover allows you to enter into a car sharing agreement, and you can accept contributions from your passengers as long as you do not make a profit and you do not carry more than 8 passengers.

Note: If you are not sure whether a car sharing agreement is covered by this insurance please ask us.

We must be told about, and agree to, any new or extra vehicle. If there is any change in premium, we will let you know and send you a new schedule.

General conditions

1. We will only provide the cover described in this insurance if:

- anyone claiming protection has met all the conditions in this document; and
- the information you gave for the statement of fact is, as far as you know, correct and complete.

2. Your premium is based on the information you supplied at the start of the insurance and when it is renewed. If you have failed to provide us with complete and accurate information, this could lead to your claim being denied or the insurance not being valid.

3. If a claim is made which you or anyone acting on your behalf knows is false, fraudulent or exaggerated, we will not pay the claim and cover under this insurance will end. If you or anyone acting on your behalf provides false or stolen documentation in support of a claim, we will not pay the claim and this insurance will end.

4. After any loss, damage or accident you must give us full details of the incident, in writing, as soon as possible. You must also give us any information and assistance that we may ask for.

5. You must send every communication about a claim, (including any writ or summons) to us without delay and unanswered. You must also tell us if you know about any future prosecution, coroner's inquest or fatal accident inquiry involving anyone covered by this insurance.

You must not admit to, negotiate on or refuse any claim unless you have permission from us.

6. You must take all reasonable steps to protect your vehicle from loss or damage and to maintain it in an efficient and roadworthy condition.

You must let us examine your vehicle at any reasonable time.

7. You must supply the details we need of any vehicles covered by this insurance for the purposes of the Motor Insurance Database. Refer to Important notice at the end of this policy for full details regarding the Motor Insurance Database.

8. We can:

- take over, conduct, defend or settle any claim; and
- take proceedings, at our own expense and for our own benefit, to recover any payment we have made under this insurance.

We will take this action in your name or in the name of anyone else covered by this insurance. You, or the person whose name we use must co-operate with us on any matter which affects this insurance.

9. If we accept your claim, but disagree with the amount due to you, the matter will be passed to an arbitrator who we both agree to. When this happens, the arbitrator must make a decision before you can start proceedings against us.

10. We or your intermediary may cancel this insurance by sending 7 days' notice, in writing, to your last known address (and in the case of Northern Ireland to the Department of the Environment, Northern Ireland). We will refund the part of your premium which applies to the remaining period of the insurance. We will send this refund to your insurance agent.

11. You may cancel this insurance at any time by telling us in writing and sending back your Certificate(s) of motor insurance and the schedule. If you have not made any claim in the current period of insurance, we will work out the charge for the time you have been covered by your insurance (using our short-period rates shown below) to the date we receive your certificate(s). We will then refund any amount we owe you to your insurance agent. If a claim has been made, we will not give you a refund.

Guidance notes

This part describes certain responsibilities and procedures.

The insurance only covers any person who meets these conditions. The information given to us in the statement of fact (which is the basis of this contract) must be true and complete to the best of your knowledge.

We will not pay a claim which is false, fraudulent or exaggerated.

The procedure for reporting accidents and losses to us:

- Report any incident to us as soon as possible.
- Immediately advise us as soon as you become aware of any court proceedings, inquest or inquiry. No one may admit any liability or negotiate any claim without our written permission.

Your vehicle must be kept in an efficient and roadworthy condition and be protected from loss or damage.

Vehicle details are recorded on the Motor Insurance Database. You must supply the information required for this

Once you have asked us to deal with a claim under this insurance, we have the right to conduct the negotiations as we see fit.

When we accept a claim but we disagree over the amount we will pay, the matter will be referred to an arbitrator for a decision. A decision must be made before you can take any legal action against us.

We may cancel the insurance giving you 7 days' notice in writing. If we do so, you are entitled to a refund of part of your premium.

You may cancel this insurance and be entitled to a refund if you have not made a claim and you return the certificate(s).

12. If there are a number of claims for property damage arising out of any one cause, we may, at any time, pay you up to the maximum amount payable under Liability to Others section. (We will deduct from this amount any sums already paid as compensation). On paying this amount, we will withdraw from any further action connected with the settlement of these claims.

We will pay any legal costs and expenses incurred with our consent, up to the time we withdraw from dealing with the claims.

13. If, under the law of any country which this insurance covers you in, we must settle a claim which we would not otherwise have paid, we may recover this amount from you or from the person who made the claim.

14. If you have agreed to pay your premium under the Arista Insurance instalment plan, the following will apply:

- **If you do not pay an instalment at renewal -**

If you do not pay the instalment due at renewal all cover under this contract will end from that date. You must then return your certificate(s) of motor insurance to us.

- **If you do not pay your instalment at any other time -**

If you do not pay an instalment when it is due, we may refuse to pay any claim arising from an event which happens on or after that date. If you do not pay a previously unpaid instalment when we ask a second time, we will cancel this contract from the due date of the first unpaid instalment. All cover under this contract will end and you must return your certificate of motor insurance to us.

- If your vehicle is written off before you have paid all your instalments, and we agree to pay your claim, the amount you owe for the year's premium will be taken from the claim payment.
- If any extra premium is needed during the period of insurance, it will be spread out over the remaining instalments due for that year. If you have already paid all your instalments, you must immediately pay any extra premium when it is due.

Important notice

You must tell us as soon as possible about any changes which affect your insurance and which have occurred since the insurance started or since the last renewal date. If you are not sure whether certain facts are relevant, please ask your insurance agent or Arista Insurance office. If you don't tell us about relevant changes, your insurance may not cover you fully, or at all.

Here are some examples of the changes you should tell us about:

- A change of vehicle (including extra vehicles).
- All changes you or anyone else make to the vehicle if these make the vehicle different from the manufacturer's standard specification (whether the changes are mechanical or cosmetic).
- A change of address.
- A change of business activity.
- A new main user of the vehicle.
- Details of any driver who you have not told us about before or who is excluded by the certificate of motor insurance or an endorsement but who you now want to drive.
- Details of any motoring conviction, disqualification or fixed penalty offence of any person allowed to drive or of any future prosecutions for any motoring offence.
- Details of any accident or loss (whether or not you make a claim) which involves your vehicle or which occurs while you are driving anyone else's vehicle.
- Details if you or any other person allowed to drive your vehicle suffers from a notifiable condition not notified to DVLA or any condition for which DVLA have restricted the licence.

Guidance notes

We may, at any time, pay you the maximum amount in respect of claims for property damage under Liability to Others section, if there are a number of claims arising out of any one cause.

We may recover our expenses if we have to pay a claim which this insurance would not normally cover.

If you pay your premium by instalments each instalment must be received on or before the date it is due. If it is not, we may refuse to pay any claim. If the unpaid instalment is not paid when asked for the second time, we will cancel the cover.

You have a duty to let us have full details of any change which affects your insurance.

You should keep a written record (including copies of letters) of any information you give us, or your insurance agent.

You should tell us about the changes shown opposite.

Important: you should immediately write and tell us about any accident.

Motor Insurance Database (MID)

The Fourth EU Motor Insurance Directive (enacted in 2003) is designed to improve the claims process for EU citizens claiming against an insurer based in another EU member state following an accident outside their home territory.

One of its requirements is that a claimant should be able to identify the relevant insurer from the registration number of a vehicle.

In the UK this legislative requirement is met by the Motor Insurance Database (MID), which has been designed to provide a record of all insured motor vehicles registered for use on the road.

One of the major benefits of the MID is that it helps the Police combat uninsured driving and tens of thousands of checks are made on the MID every day by the Police.

The Motor Vehicles (Compulsory Insurance) (Information Centre and Compensation Body) Regulations 2003 place obligations on us as an insurer and you regarding the keeping and supply of information.

What this means in Practice

There are two different approaches depending on the size of your fleet and these are explained below:

Fleets - less than 30 Vehicles

We will supply the details of your policy such as policyholder name, address, policy number, inception and expiry date to the MID.

We will also supply the vehicle details at inception and any changes throughout the year and at renewal to the MID.

You do however need to make sure you advise your insurance agent **immediately** when vehicle changes happen and the previous page also provides more detail regarding other relevant changes.

It is very important that your vehicle details are up to date on the MID or your vehicle may be seized by the Police.

Fleets - 30 Vehicles and above

You will supply vehicle changes to us on a quarterly basis due to the size of the fleet for premium calculation purposes.

However the regulations place a direct obligation on you to load your vehicle details at inception and update the MID within **14 days** of the effective date of any vehicle acquisition or disposal. This applies to all changes other than temporary additions of less than 14 days.

Therefore you will need to submit the vehicle information direct to the MID, online at the MID website, www.midupdate.com

You will need a security code to access the website and load and update your vehicles and this can be obtained from the Equity Red Star MID helpdesk on **0870 787 4290** (open 9am – 5pm Monday to Friday).

The regulations require that you record the following information on the MID:

- Vehicle registration number
- The 'on' and 'off' dates for each vehicle

It is important that your vehicle details are up to date on the MID or your vehicle may be seized by the Police.

Please be aware that if you refuse or fail to maintain or supply the information you will be guilty of an offence and shall be liable on conviction of a fine up to £5,000.

The insurance industry is obliged to report offenders to the authorities and we are also required to share information on compliance with other insurers.

Additional information

Additional information can be obtained on the MID from the following website, www.miic.org.uk or please call the Equity Red Star MID helpdesk on **0870 787 4290** if you require any further help.

It is important you are aware if we are loading and updating vehicle information or if you need to take action.

*The MID helpdesk is there to assist you and can be contacted on **0870 787 4290**.*

Failure to take action may result in a large fine on Fleets of 30 vehicles and above.
